

Congratulations to our Amazing and Talented Cheshire Show team, they did us proud.

The Cheshire Show returned this year and Crowton WI again showed how talented our members are.

Our group entry came second; a fantastic result all round for 'A Whimsical Winter Walk'. Special thanks must go to Judi and all who were part of the team, especially Beryl, Elizabeth and Frances. Thanks goes to Rika for her invaluable advice and wisdom and all the ladies who came to the meetings and offered their help and support.

Our individual entries did brilliantly too. Dorothy, Jane P, Judi and Beryl all entered individually, achieving high marks including three firsts and a second. Beryl won the coveted Challenge Cup for her marmalade which I know is much sort after in the village.

Every single one of these ladies is a superstar and have well and truly kept the Crowton WI Cheshire Show flag flying.
